

European Association for Cardiovascular
Prevention and Rehabilitation
A Registered Branch of the ESC

FINAL PROGRAMME

EURO 2007 PREVENT

HOM - DV3248

**Madrid, Spain
19-21 April 2007**

www.europrevent2007.org

EUROPEAN
SOCIETY OF
CARDIOLOGY®

When is support needed – The typical patient
M. Ridderstråle (Sweden)

The endocannabinoid system – A review from mouse to man
L. Sjöström (Sweden)

Clinical implications of trials on overweight and its consequences - the RIO programme and beyond
S. Tonstad (Norway)

Illness and health – Future perspectives
L. Rydén (Sweden)

Room:
UNESCO **SPECIALIST SYMPOSIUM**

16:30 **Cardiovascular Risk Prediction II**
18:00 Chairs: M. Verschuren (The Netherlands), S. Sans (Spain)

New risk factors for prediction of CVD
I. Graham (Ireland)

Is heart rate an independent risk factor for CVD?
P. Palatini (Italy)

What are the potential benefits of reducing heart rate for CVD?
A. Hjalmarson (Sweden)

Perception of cardiovascular risk factors by the general population
Z. Reiner (Croatia)

Room:
2A **GEOFFREY ROSE PRIZE**

16:30 Chair: H. Hemingway
18:00 Judges: Ø. Ellingsen, S. Giampaoli, M. Mendes, A. Pelliccia, L. Vanhees

Room:
2B **SPECIALIST SYMPOSIUM**

16:30 **Preparticipation screening of athletes for cardiovascular disease: a challenging project**
18:00 Chairs: D. Corrado (Italy), E. Meijboom (Switzerland)

The position of the EACPR
A. Pelliccia (Italy)

The position of the IOC
E. Meijboom (Switzerland)

The position of the FIMS
J. Cumiskey (Ireland)

The position of the FIFA
J. Dvorak (Switzerland)

The position of the UCI
M. Zorzoli (Switzerland)

18:00 **GENERAL ASSEMBLY**
19:00

Room:
UNESCO **SPECIAL SPANISH SESSION**
19:00 (*Language: Spanish*)
20:00

Saturday 21st April

Room:
UNESCO **MEET THE EXPERT**

07:45 **How to determine exercise training intensity in heart failure patients with or without a device**
08:45 J.P. Schmid (Switzerland)

Room:
GOYA **MEET THE EXPERT**

07:45 **How to set up and run a cardiac rehabilitation and prevention programme**
08:45 H. Saner (Switzerland)

Room:
2A **MEET THE EXPERT**

07:45 **How to evaluate quality of life**
08:45 N. Oldridge (USA), H. McGee (Ireland)

Room:
2B **MEET THE EXPERT**

07:45 **Screening for preventing sudden cardiac death during exercise and sports**
08:45 D. Corrado (Italy)

Room:
UNESCO **MAIN SYMPOSIUM**

09:00 **Ageing and Heart Failure**
10:30 Chairs: D. Seals (USA), V. Adams (Germany)

The epidemic of CHF and the demographic change in Western societies A. J. Coats (Australia)

Cardiovascular ageing – An inevitable path to heart failure?
W. Paulus (The Netherlands)

Cardiovascular limitations of exercise tolerance in CHF – Is it possible to distinguish disease from age-associated changes?
J. Senden (The Netherlands)

Prognostic impact of weight loss in old age and heart failure – Is there a difference?
S. Anker (UK)

Muscle wasting and catabolic metabolism in chronic heart failure – Is exercise the key to prevention and treatment?
S. Gielen (Germany)

10:30 Healthy Break
11:00

Room:
GOYA **SPECIALIST SYMPOSIUM**

11:00 **The EUROCISS Project: Recommendations for cardiovascular surveillance in Europe**
12:30 Chairs: J. Waligóra (Poland), B. Mayosi (South Africa)

How to make routine data comparable across Europe
S. Giampaoli (Italy)

Population-based AMI registers
M. Madsen (Denmark)

CVD Surveys
P. Primatesta (UK)

Population-based stroke registers
N. Hammar (Sweden)
